[redacted]
Dear [redacted]

25X1

25X1

[redacted] has advised me that he feels that you should have some sodding and other landscaping at your station if we are to avoid having a mud hole. He also advises me that there is approximately \$16,000 still available with the Foreign Liquidation Commission (I think that it is what it is called) in Cypriot pounds and suggests that some of this money might be used for landscaping.

25X1

I dispatched a memorandum to all field bureaus a few days ago concerning projects. If you feel that this landscaping is necessary, be sure to initiate some action on it before too long and give consideration to the possibility of using this money which the Foreign Liquidation Commission reportedly is anxious to get rid of.

Sincerely,

L. K. White
